Contractor's Signature: _____ Date: _____

All account information will be kept confidential between the Cooperative, Associated Electric Cooperative and agents acting on their behalf.

RESIDENTIAL HEAT PUMP REBATE APPLICATION QUALIFICATIONS

ELIGIBLE CUSTOMERS

- Cooperative residential members are eligible for rebates when buying qualifying, air source or ground source (geothermal) heat pumps.
- The structure in which the member resides must be a permanent structure on a permanent foundation on land owned by the member.

ELIGIBLE HEAT PUMP EQUIPMENT

- Equipment must be a new, matched heat pump system certified by ENERGY STAR®.
- For cooperative systems north of the Missouri River, ground source heat pumps must be installed with a Delta-T of 80 supported by a Manual J “Residential Load Calculation” published by the Air Conditioning Contractors of America (ACCA). Please ask your HVAC contractor to verify that these requirements are met.
- For cooperative systems south of the Missouri River, ground source heat pumps must be installed with a Delta-T of 70 supported by a Manual J “Residential Load Calculation” published by the Air Conditioning Contractors of America (ACCA). Please ask your HVAC contractor to verify that these requirements are met.
- The Cooperative may inspect the home to determine if appropriate insulation is present in the ceiling and walls.
- Heat pumps that receive rebates may be subject to Cooperative load control programs. The participant agrees to allow the Cooperative to control their heating and cooling equipment now or in the future.

EXISTING EQUIPMENT

- *Space Heating:* The heat pump may be used to replace existing electric resistance, natural gas or propane space heating equipment in the home.
- *Air Conditioning:* The heat pump must replace either a central air conditioning system or a minimum of two window air conditioning units.

REBATE DETAILS

- The Cooperative issues cash rebates in the form of checks, not energy bill credits.
- Please submit one rebate application per heat pump.
- A copy of the data sales receipt or invoice must be included with the rebate application.
- The application must include all the information requested on the front of this application.
- Incomplete applications will not be processed and will be returned to the member.
- Please allow at least 6-8 weeks for rebate processing. Please keep a copy for your records.

DISCLAIMER

The Cooperative is not responsible if your HVAC contractor, retailer, builder or other party provides you with inaccurate information about the amount or conditions of the actual rebate. The Cooperative will not rebate equipment that has been mislabeled or misrepresented. The Cooperative reserves the right to inspect the heat pump and its installation at the address indicated on the front of this application. The Cooperative is not responsible for any lost, late, stolen, ineligible, illegible, misdirected or postage due mail. All completed applications will become the property of the Cooperative. Rebate qualifications and amounts are subject to change at the Cooperative’s discretion and the program may end at any time without notice.
